\* The image represents the general look of the series. Actual product may vary based on options selected.

The WES5901 offers two bushing sizes in one tool for quick transitions and fewer tool changes. Compatible with WES5501 / 3/8-16 OD and WES5502 / 1/2-13 OD threaded bushings, it's precise and easy to use. This tight-tolerance adjustable drill bar, also called a "snatch block" or "steam boat", is made in the USA from anodized aluminum. Perfect for hole alignment, reaming, or repair work in aircraft sheet metal or structural components.
